This is a good truck. It does have miles, but it is diesel and if you know anything about diesel you know that it still has a lot of life left. I am wanting something smaller. That is the only reason I want to sale it. Leather interior. Has some normal wear in the seats. It. After market tires. So it is lifted. Short bed. Ac and heater both work. Brand new fuel filter just put on last week. Power windows and locks. The seats are also power. This truck is a 4x4 turbo diesel duramax. With 4 doors. It blue books at 10,200. Make me a reasonable offer and if I agree the truck is yours. No low ball offers will be excepted. Be fair just like I am being fair with this truck.
